Design Your Slabs

Design Your Slabs is the revolutionary technological solution used to create any image or illustration on the ceramic surface. From minimal ideas to more sophisticated works, anything that can be imagined by designers can become a decorative element on an extremely high-performing material like technical ceramics. From the largest to the smallest sizes, from traditional to more innovative formats, Design Your Slabs decorates any type of ceramic surface, offering unique customisation every time.

Design Your Slabs è la rivoluzionaria soluzione tecnologica che permette di realizzare qualsiasi immagine o illustrazione sulla superficie ceramica. Dall'idea minimal al progetto più elaborato, tutto quello che può essere immaginato da progettisti e designer può diventare elemento di decoro su un materiale estremamente performante come la ceramica tecnica. Dalle misure più grandi a quelle più piccole, dai formati tradizionali a quelli più innovativi, Design Your Slabs decora ogni tipo di superficie ceramica per offrire una personalizzazione sempre unica.

"Blooming Bonds"

by Becha

for Iris Ceramica Group

"Blooming Bonds" by Becha stands out for its elegant and delicate style, representing a landscape animated by human and natural figures that seem to float in a kind of dance. The drawing was made on large ceramic slabs, thanks to the Design Your Slabs technology and narrates the Group's founding values in the form of pictures: sustainability, beauty, excellent quality and innovation.

"Blooming Bonds" by Becha si distingue per lo stile elegante e delicato. Rappresenta un paesaggio animato da figure umane e naturali che sembrano fluttuare in una danza. Il disegno è realizzato sulle grandi lastre ceramiche, grazie alla tecnologia Design Your Slabs e racconta pittoricamente i valori fondanti del Gruppo: sostenibilità, bellezza, eccellenza nella qualità ed innovazione.
