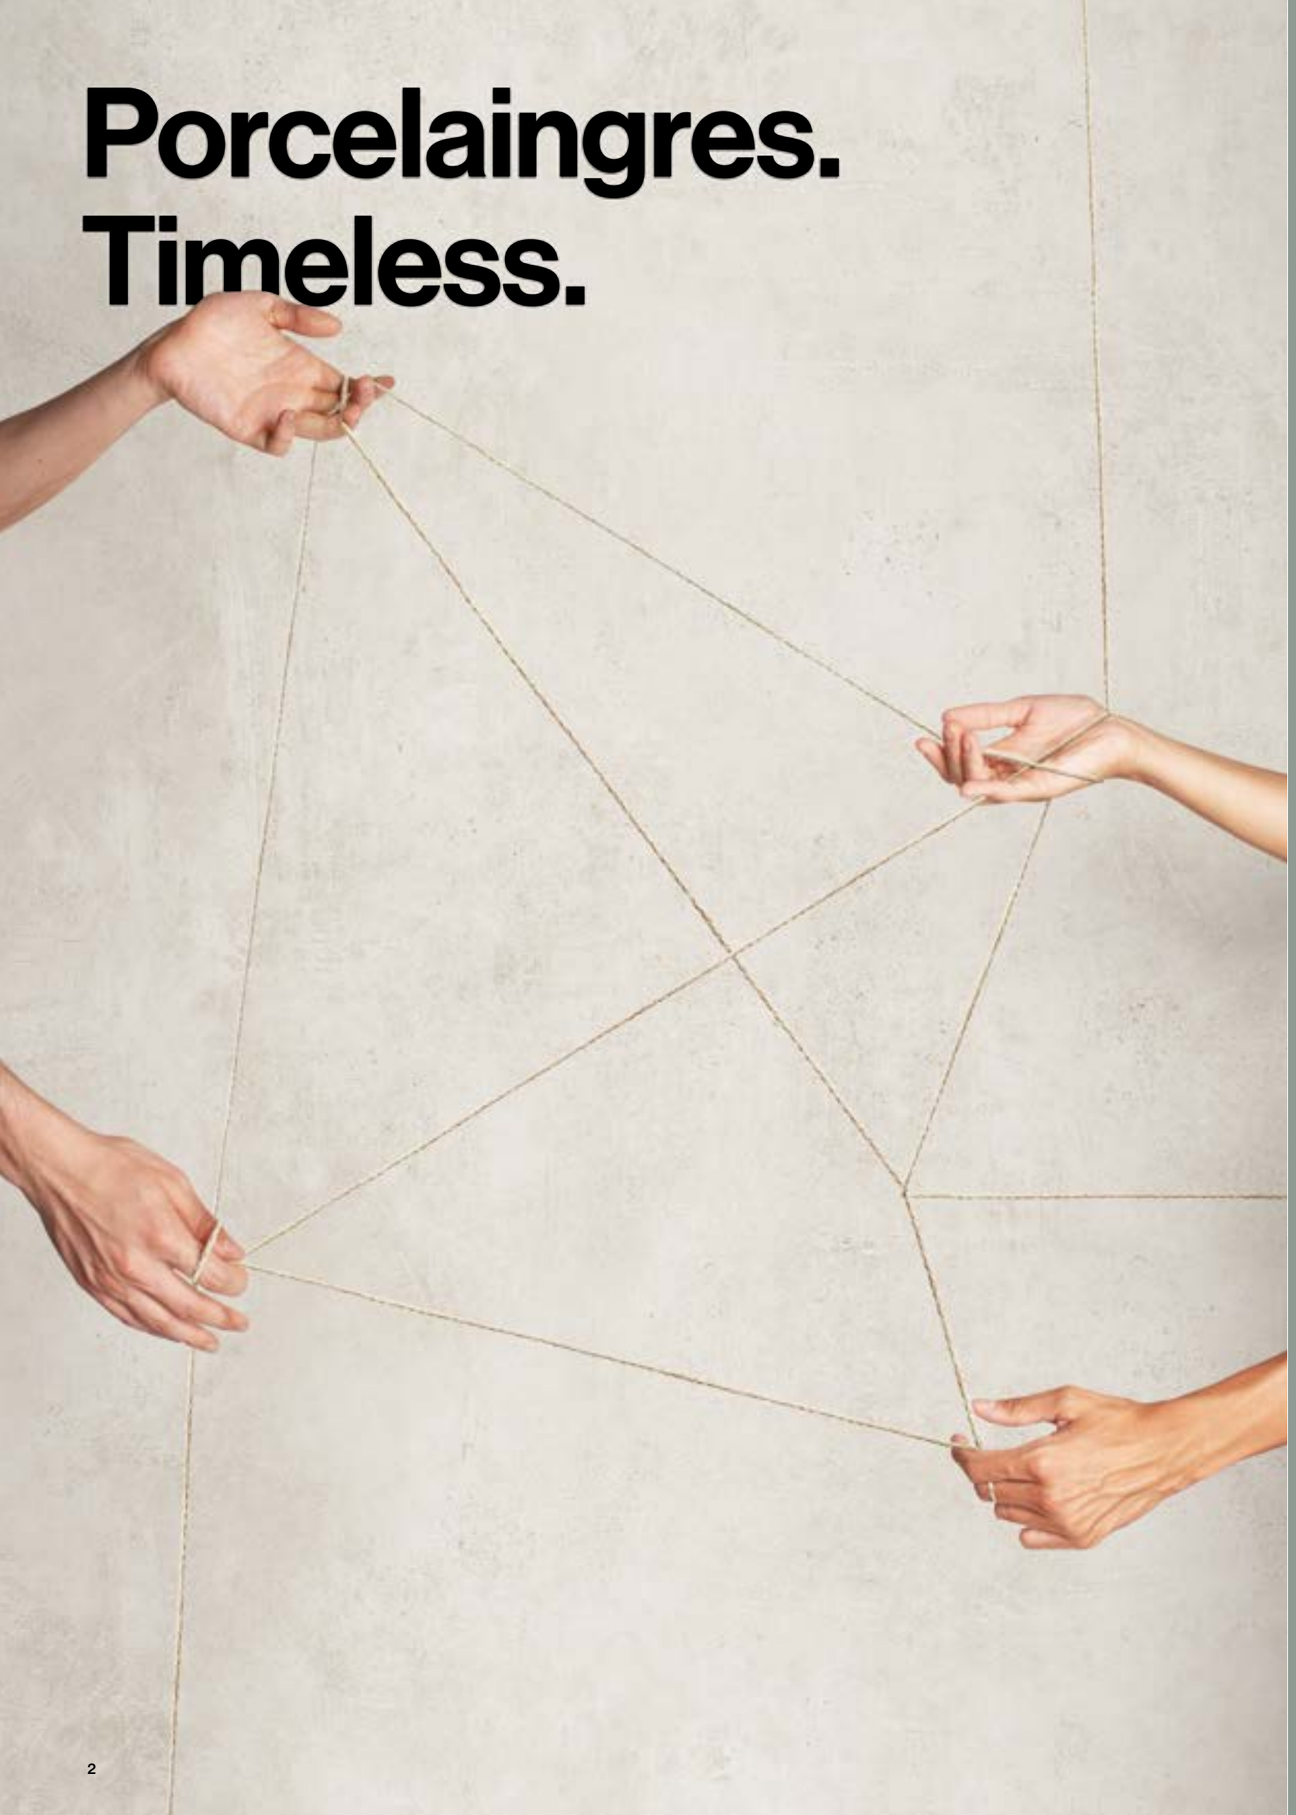
Porcelaingres.
Empire.

Empire merges expressive stone character with refined marble elegance and a natural texture, shaping timeless surfaces for contemporary architecture.



Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.
We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture ceramic surfaces with a focus on quality and technical performance.

What we do.
We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.
We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.
We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.
We implement specific environmental measures in our production processes, including resource recovery, water reuse and energy-efficiency initiatives.

Innovation.
We constantly improve our products and services to meet customer and market demands.

Let's start a project.
Together.

Empire

Empire reinterprets natural stone aesthetics through a dialogue between expressive mineral character and the elegance of refined marble inspirations.

Distinctive veining meets a calm, balanced design language, enabling versatile applications across contemporary architectural contexts.

The porcelain surfaces reveal a natural finish and a soft, authentic texture that enhances depth and visual richness. Subtle structures and harmoniously calibrated color nuances establish a refined interplay between presence and restraint.

Empire provides a sophisticated foundation for high-end spaces, combining timeless, material-driven appeal with versatile design possibilities for residential and commercial projects.
