## Porcelain stoneware surfaces. Where Italian design meets German quality.

### Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

### What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

### How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

#### Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

#### Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

#### Innovation.

We constantly improve our products and services to meet customer and market demands.

### Let's start a project.

**Together.**

# Timeless elegance and intricate beauty. Creativity and experimentation. Intuition and curiosity. All of this is Estro.

**From natural inspiration  
to design innovation:**

a material shaped by the power of imagination, revealing a deep understanding of reality and its reinterpretation with an advanced technological language that constantly reveals new stylistic trends.

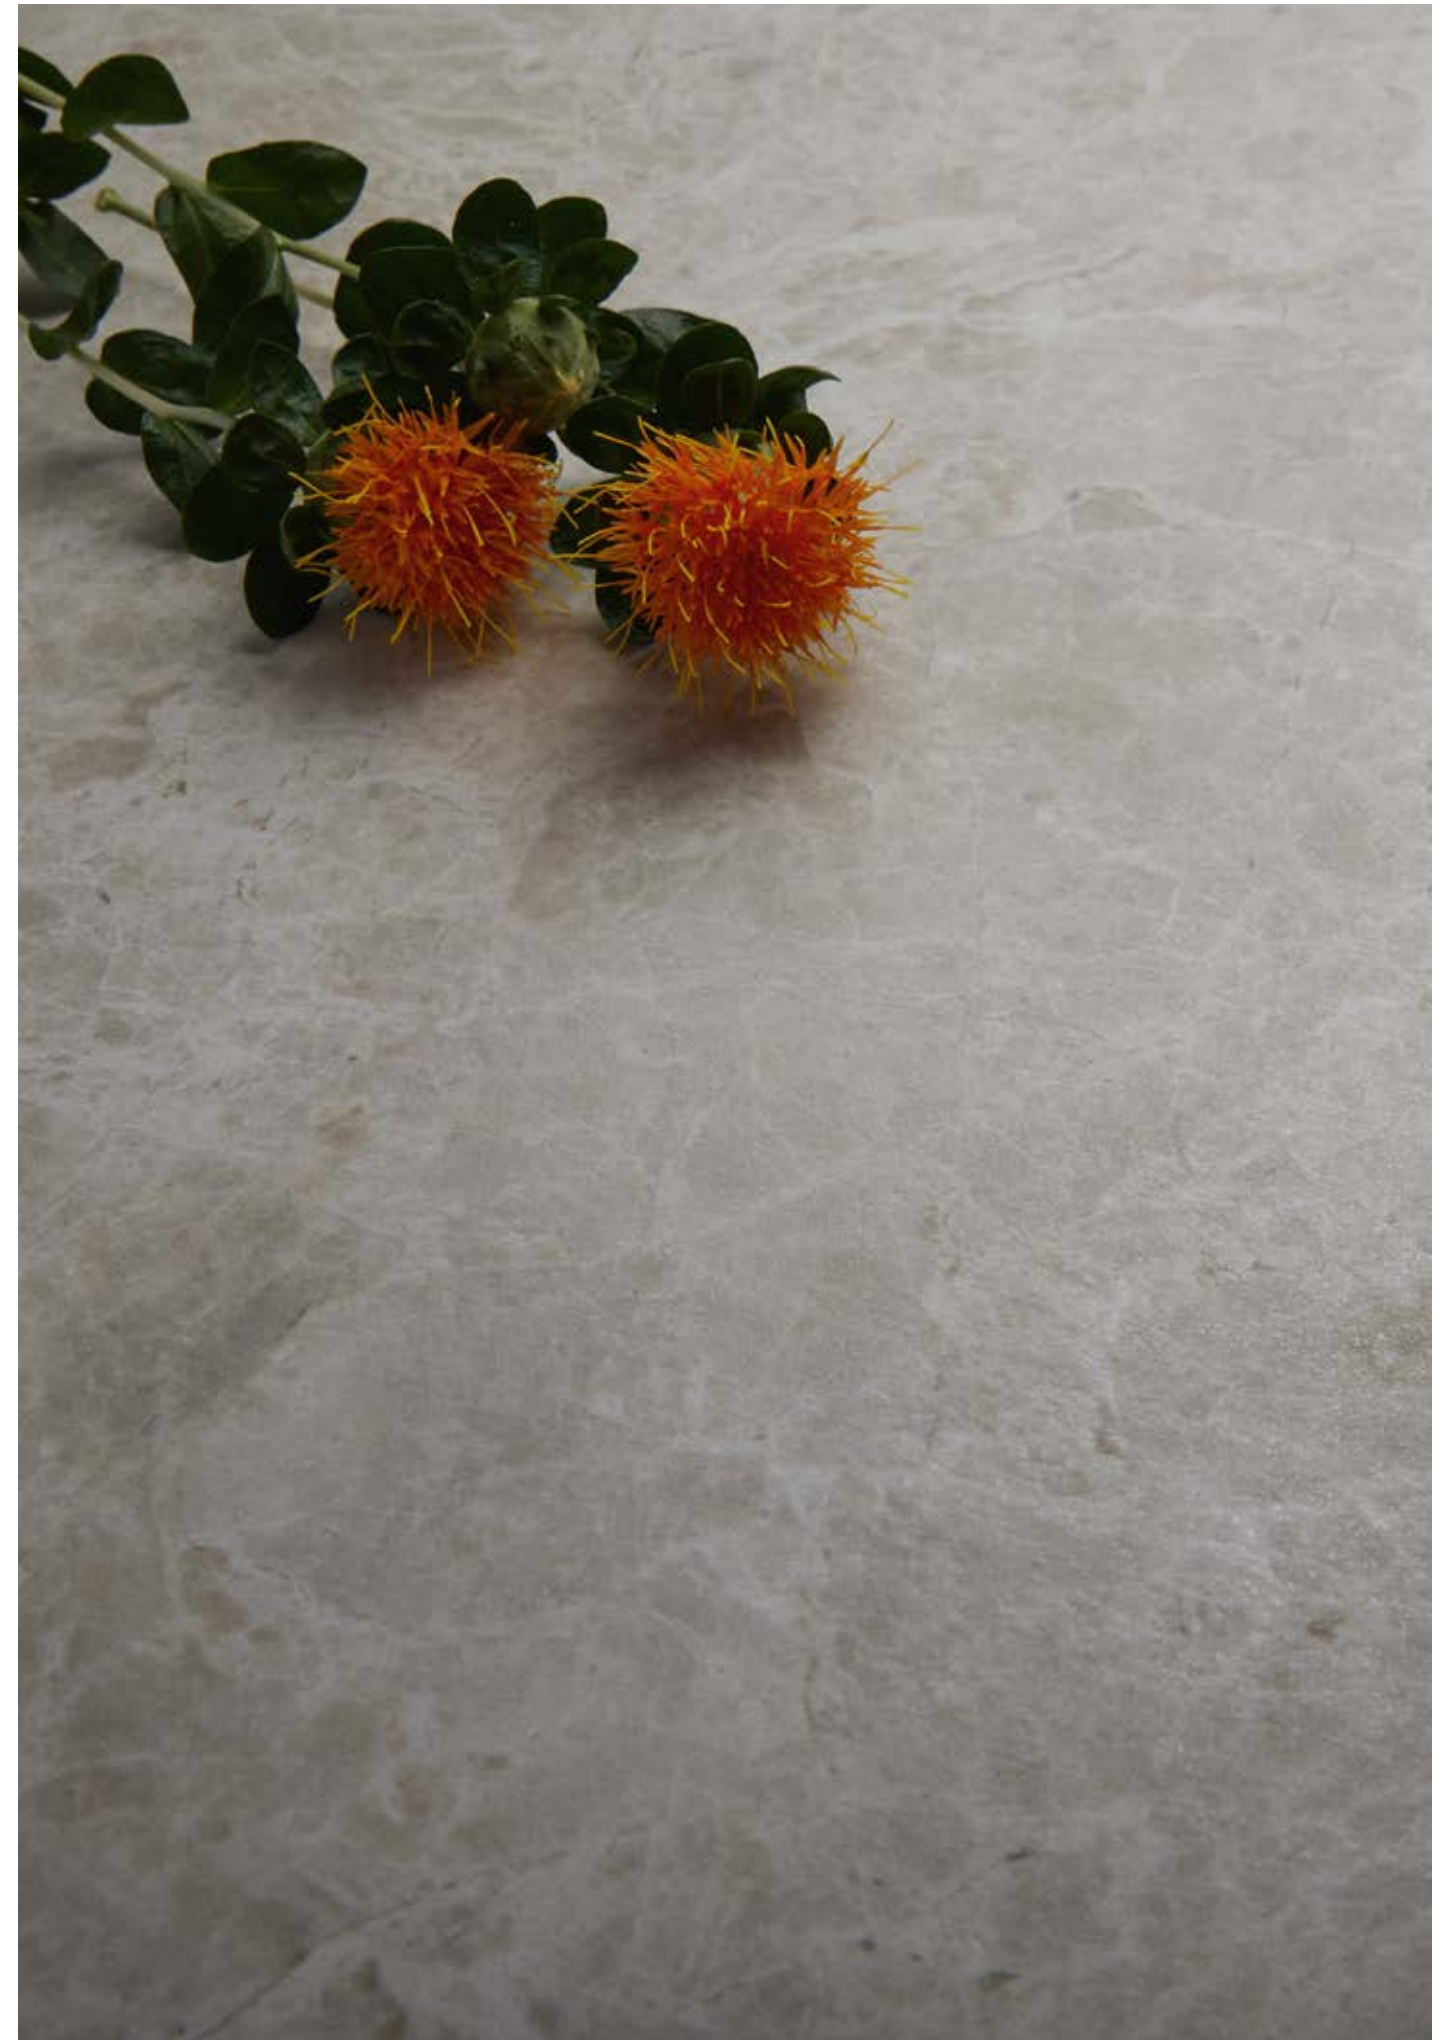

# Estro.

**Once again, Porcelaingres applies its research philosophy, which transforms material inspiration into an unprecedented aesthetic exploration. A journey where imagination expresses itself with a sensibility for creativity.**

**The understated elegance of brecciated onyx marble has inspired this collection designed for unique and avant-garde architectural projects, referring to the processes of creative inspiration.**

With these qualities, Estro reinterprets the concept of quiet luxury with an innovative design focus, creating spaces in perfect balance between prestige and living comfort. Five expressive shades of natural stone and a wide range of formats and finishes harmoniously blend into any design concept, creating captivating in & out stylistic continuity effects.
