

Porcelaingres. Eternal Stone.

An exclusive, evolving selection of stone and marble-inspired porcelain surfaces, combining timeless aesthetics and reliable performance for demanding design applications.

Porcelaingres. Timeless.

Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

Innovation.

We constantly improve our products and services to meet customer and market demands.

Let's start a project.

Together.

Eternal Stone.

Eternal Stone is an exclusive, curated range of stone-inspired porcelain slabs designed for long-term performance. It captures the character of natural stone and marble while delivering the precision, consistency, and durability of advanced ceramic craftsmanship.

The collection evolves over time, adding new stone effects and colors to remain relevant to contemporary design. Each surface offers timeless aesthetics with reliable performance, suitable for a wide range of projects.

Eternal Stone brings together the finest stone and marble aesthetics, combining the best ceramic interpretations into a single, high-performance porcelain collection. It offers outstanding design freedom, timeless elegance, and technical precision – capturing the essence of nature's most beautiful surfaces at their best.

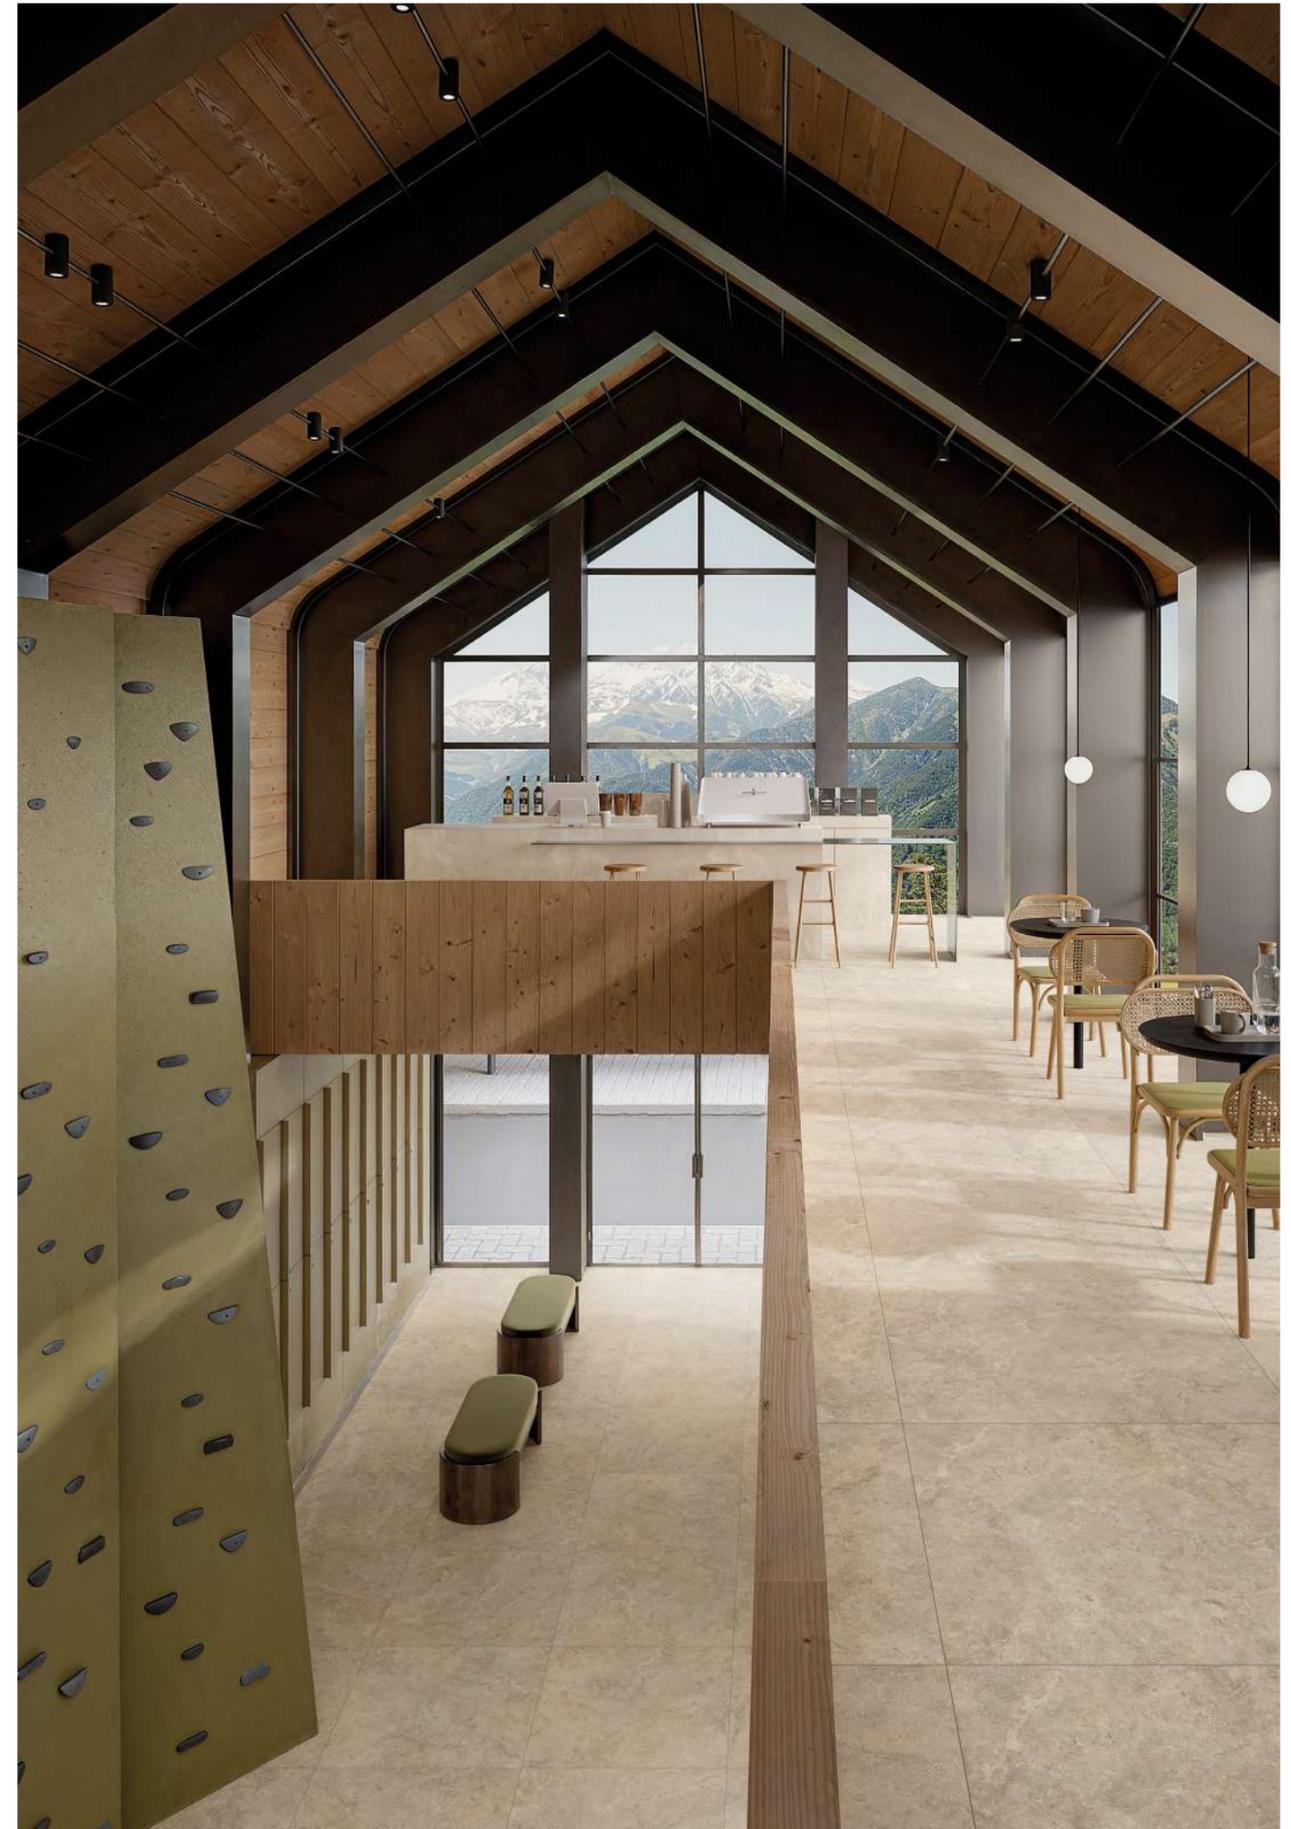

Travertino.

The strength of tradition, projected into the future. With its unmistakable texture and timeless appeal, Travertino offers a refined take one of the most enduring materials in architectural history.

Balanced and harmonious, this surface is ideal for projects that merge classic inspiration with modern clarity. Available in Natural Plus and Antislip finishes, and in formats suited for both residential and contract spaces – indoors and outdoors.

Crema Marfil.

Crema Marfil translates the natural elegance of marble into a ceramic surface with a warm, radiant tone. Designed for those who seek minimal yet sophisticated environments, this collection offers visual harmony and seamless style continuity.

Its soft veining and subtle texture enhance the atmosphere without overwhelming it, making it ideal for interiors where light, space, and material are in perfect balance.

Whether used in residential settings or refined commercial spaces, Crema Marfil brings a quiet richness that elevates the overall design narrative – a surface that speaks softly, yet leaves a lasting impression.
