

# Porcelaingres. Royal Stone.

Impressive yet minimalist, bold yet delicate. A tribute to the elemental beauty of freshly hewn stone, along with the veins and variegations characteristic of marble.

# Porcelaingres. Timeless.

## Porcelain stoneware surfaces. Where Italian design meets German quality.

### Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

### What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

### How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

### Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

### Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

### Innovation.

We constantly improve our products and services to meet customer and market demands.

Collection: Royal Stone | Colors: Noble Beige, Imperial Brown

# Royal Stone.

**Versatility, the core of this collection:  
a material that seamlessly blends  
with any type of interior, catering to  
different tastes.**

A perfect representation of elegant Italian porcelain slabs, distinguished by their natural finish. Royal Stone porcelain slabs come in neutral colors, and their great variety adds movement and a unique, natural personality to this collection.

A collection of intriguing ceramic surfaces that lend character to the surrounding space. Their texture is enhanced by light veins, which add depth to the surface, almost as if they conceal a deeper reality beneath.
