

Porcelaingres. Solid Stone.

Solid Stone: Where purity meets originality, blending the timeless beauty of nature with the artistry of design in perfect harmony.

Porcelaingres. Timeless.

Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

Innovation.

We constantly improve our products and services to meet customer and market demands.

**Let's start a project.
Together.**

Solid Stone.

This exclusive collection draws inspiration from the timeless beauty of natural stone, offering a seamless blend of elegance and durability for both indoor and outdoor spaces.

Solid Stone ceramic surfaces capture the authentic texture and distinctive character of quartz, bringing the essential beauty of nature into any architectural environment.

An elegantly curated palette of mineral colors enhances the natural beauty of individual spaces. From cooler, calming tones to warm, inviting hues, these shades reflect the rich variations of natural stone, adding depth and character to both interiors and exteriors.
